INTERVIEW SUMMARY

Sir:

In response to the Interview Summary form mailed on September 22, 2005, the Applicant's attorney submits the following:

The interview occurred on September 7, 2005.

The interview was a telephonic interview.

The participants at the interview were Examiner Thanh Nguyen, Marc Thompson, and the Applicant's attorney Marc Brockhaus, Reg. No. 40,923.

No exhibits were shown or discussed.

Claims 1 and 24, were discussed.

The prior art discussed was Conrad et al. U.S. Patent No. 6,028,605.

Agreement was not reached on the patentability of any particular claims.

The parties discussed the Conrad et al. reference with respect to the features recited in claim 1. The parties also discussed the rather large amount of claims pending in the present patent application. Examiner Thompson and the undersigned discussed simplifying the claims pending in the patent application to be directed to a common grouping, even though a restriction requirement had not been entered in the patent application.

The Amendment filed on September 12, 2005 in response to the non-final Office Action dated March 11, 2005 is believed to be consistent with the discussions during the Examiner interview.

The foregoing is intended to be a complete summary of the Interview which occurred on September 7, 2005. Should the Examiner have any comments or questions regarding the foregoing, Applicant's attorney is happy to discuss same with the Examiner.

Respectfully submitted,

Marc A. Brockhaus, Reg. No. 40,923
